## frequently asked questions

How durable are your products?

**SFA products are designed and proven to last for decades with correct maintenance.**

What is your warranty period?

**SFA warrants standard products for 3 years, and tailored products for 1 year. Our policy can be found at [streetfurniture.com/au/warranty](http://streetfurniture.com/au/warranty)**

How do you maintain timber?

**SFA recommends re-oiling after 3 months, and every 6 months going forward. For a timber look with minimal maintenance we also offer Woodgrain aluminium battens.**

What is the 'Parts Promise'?

**SFA ensures customers are able to purchase spare parts for the entire life of the product or for a period of up to five years after the product has been discontinued.**

**We believe our responsibility to the customer lasts long after the point of installation. For more details, visit [streetfurniture.com/au/parts-promise](http://streetfurniture.com/au/parts-promise)**

Street Furniture uses sustainably sourced timber from certified managed forests.
