**Wood Without Worry™**

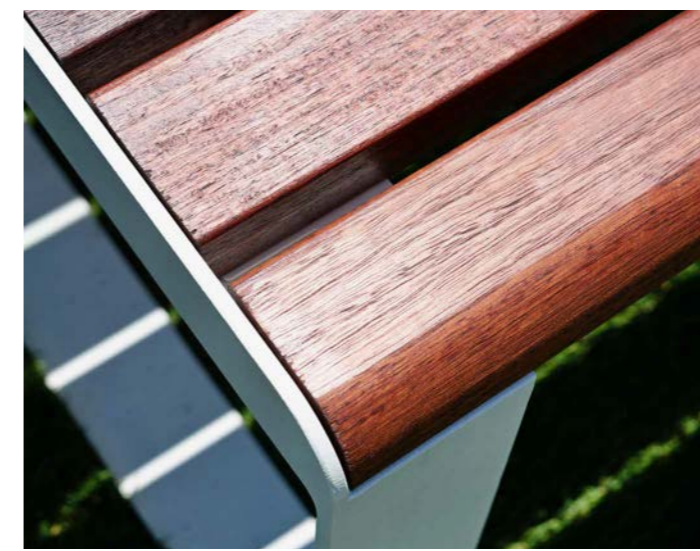

Woodgrain aluminium is perfect for clients seeking a warm timber look with low maintenance. Available in 5 shades.

**“People keep touching it, they can’t believe it’s not timber.”**

- Jennifer Spratling, Centre Manager  
Big Top, Kippa Ring & Upper Mt Gravatt

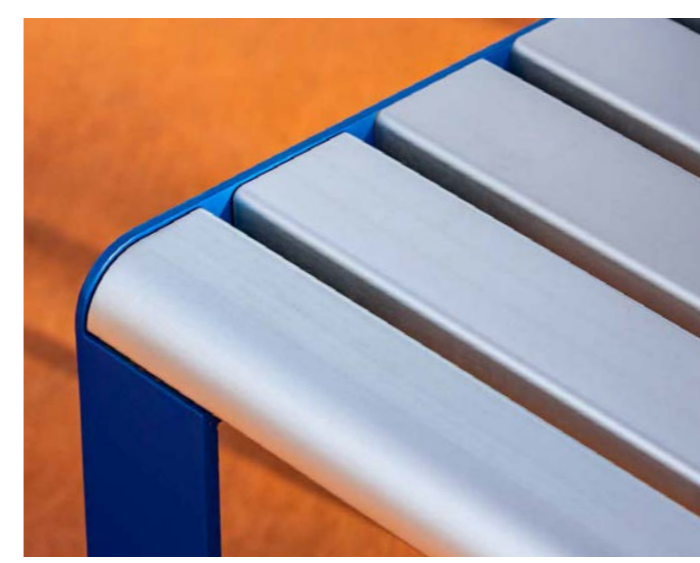

# Select your batten

Linea is offered in *Wood Without Worry*, anodised or powder coated aluminium, or eco-certified hardwood battens.

## Eco-certified hardwood

Select-grade hardwood is exclusively sourced from certified managed forests (FSC or PEFC). To retain appearance, hardwood requires oiling every three months.

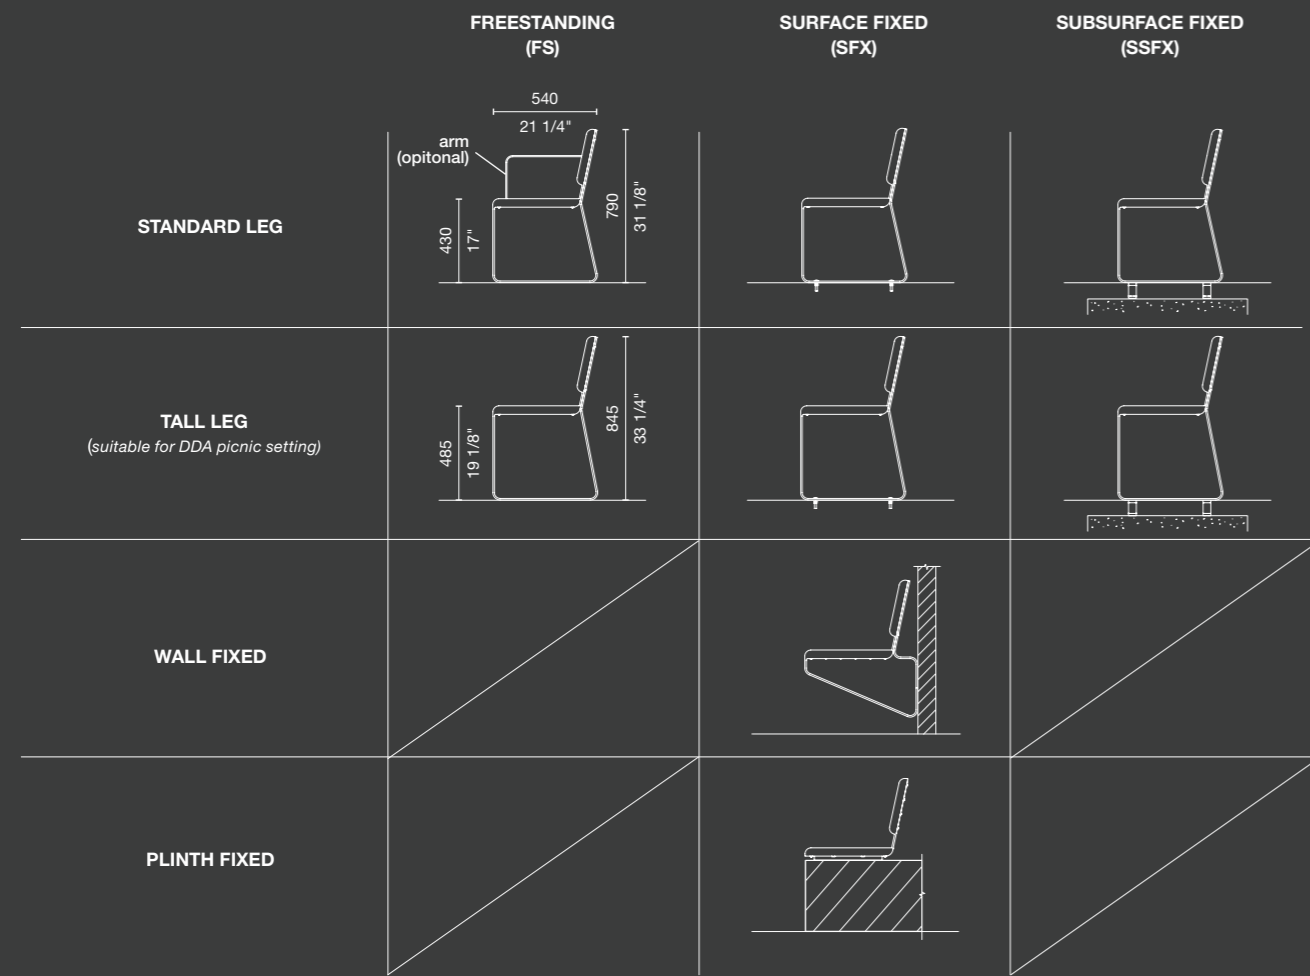

## Anodised aluminium

Commonly seen on Apple MacBooks, this material features a cool temperature during hot summers. It is a minimal maintenance product only requiring the occasional wash down.

## Choose a standard or custom curve.

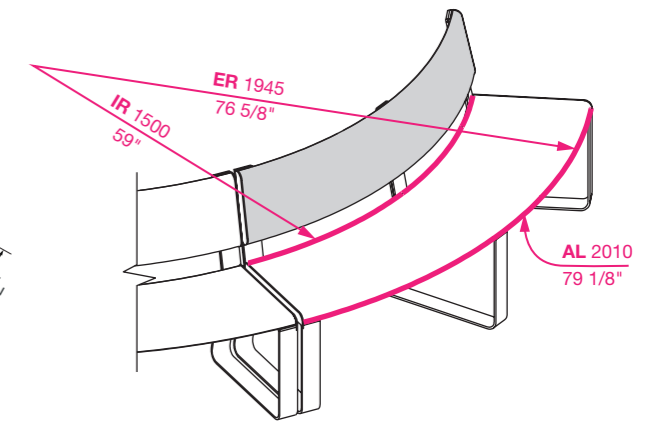

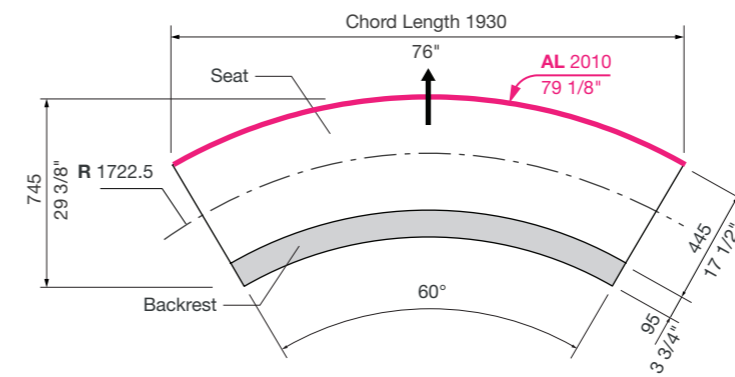

Street Furniture Australia highly recommends using standard curves to save time and cost.

For custom curves, ensure the Internal Radius (IR)  $\geq 1500\text{mm}$  or  $59"$ . A set up fee and additional lead time will apply for each custom curve. To specify a custom curve, choose Convex or Concave and provide the Arc Length (AL), Internal and/or External Radius (IR or ER). Consult with a sales representative today.
