

concourse

premium modular seating

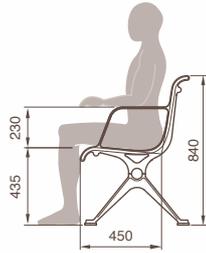

designed to last

**Our new and improved model is wider,
more comfortable and accessible.**

Manufactured using Toyota lean principles, the DDA-compliant Concourse seat offers exceptional design, strength and durability. Components have also been upgraded from a sand cast to die cast quality finish.

**Comfortable and
DDA-compliant**

**Wider than first-class seats
on Qantas A380**

Key features

- Strong, all-cast metal structure
- Eco-friendly production with minimum waste
- 100% recyclable
- Guaranteed spare parts
- Almost zero maintenance

rest

Short breaks go a long way during a busy day. A comfortable seat helps people relax, stretch out and re-energise.

play

Inject fun into a green space through a bright spectrum of Concourse colours.

move

Provide comfort while you wait. Generous proportions and ergonomic features can make travelling more pleasurable.

discover

A good seat, where one can observe, talk or contemplate,
is a place in which to discover the world.

“A street that is open to the sky and filled with people and life is a splendid place to be.”

William Whyte
