Street Furniture Australia's purpose is to bring lasting enjoyment to public places. We believe that street furniture plays a central role in animating and connecting a space, ensuring it is vital and enriching for its community.

Our active research and development program places users at the heart of everything we do. Since 1986 we have furnished more than 30,000 places in Australia and around the globe.

Together with our design, custodian and contracting partners, we strive to make public spaces accessible and enjoyable for all.
