“Our cities are changing rapidly, as well as the way we interact with them. While many elements of the physical and digital worlds are colliding, Street Furniture Australia is blending them seamlessly.”

Adam Beck, Executive Director
Smart Cities Council Australia New Zealand

streetfurniture.com

Bring connectivity outdoors.

PowerMe™ is Australia's first smart bench.

“Street Furniture Australia’s design and R&D ethos aligns perfectly with our evidence-based and people-focused smart city project. We are working collaboratively to be innovative with commercially viable smart products in public space for community benefit and council management.”

Dr Nancy Marshall, Smart Social Spaces Project
University of New South Wales
