Choose a standard or custom curve.

Street Furniture Australia highly recommends using standard curves to save time and cost.

For custom curves, ensure the Internal Radius (IR) ≥1500mm or 59". A set up fee and additional lead time will apply for each custom curve. To specify a custom curve, choose Convex or Concave and provide the Arc Length (AL), Internal and/or External Radius (IR or ER). Consult with a sales representative today.

AL Arc Length **IR** Internal Radius **ER** External Radius
