materials and colours

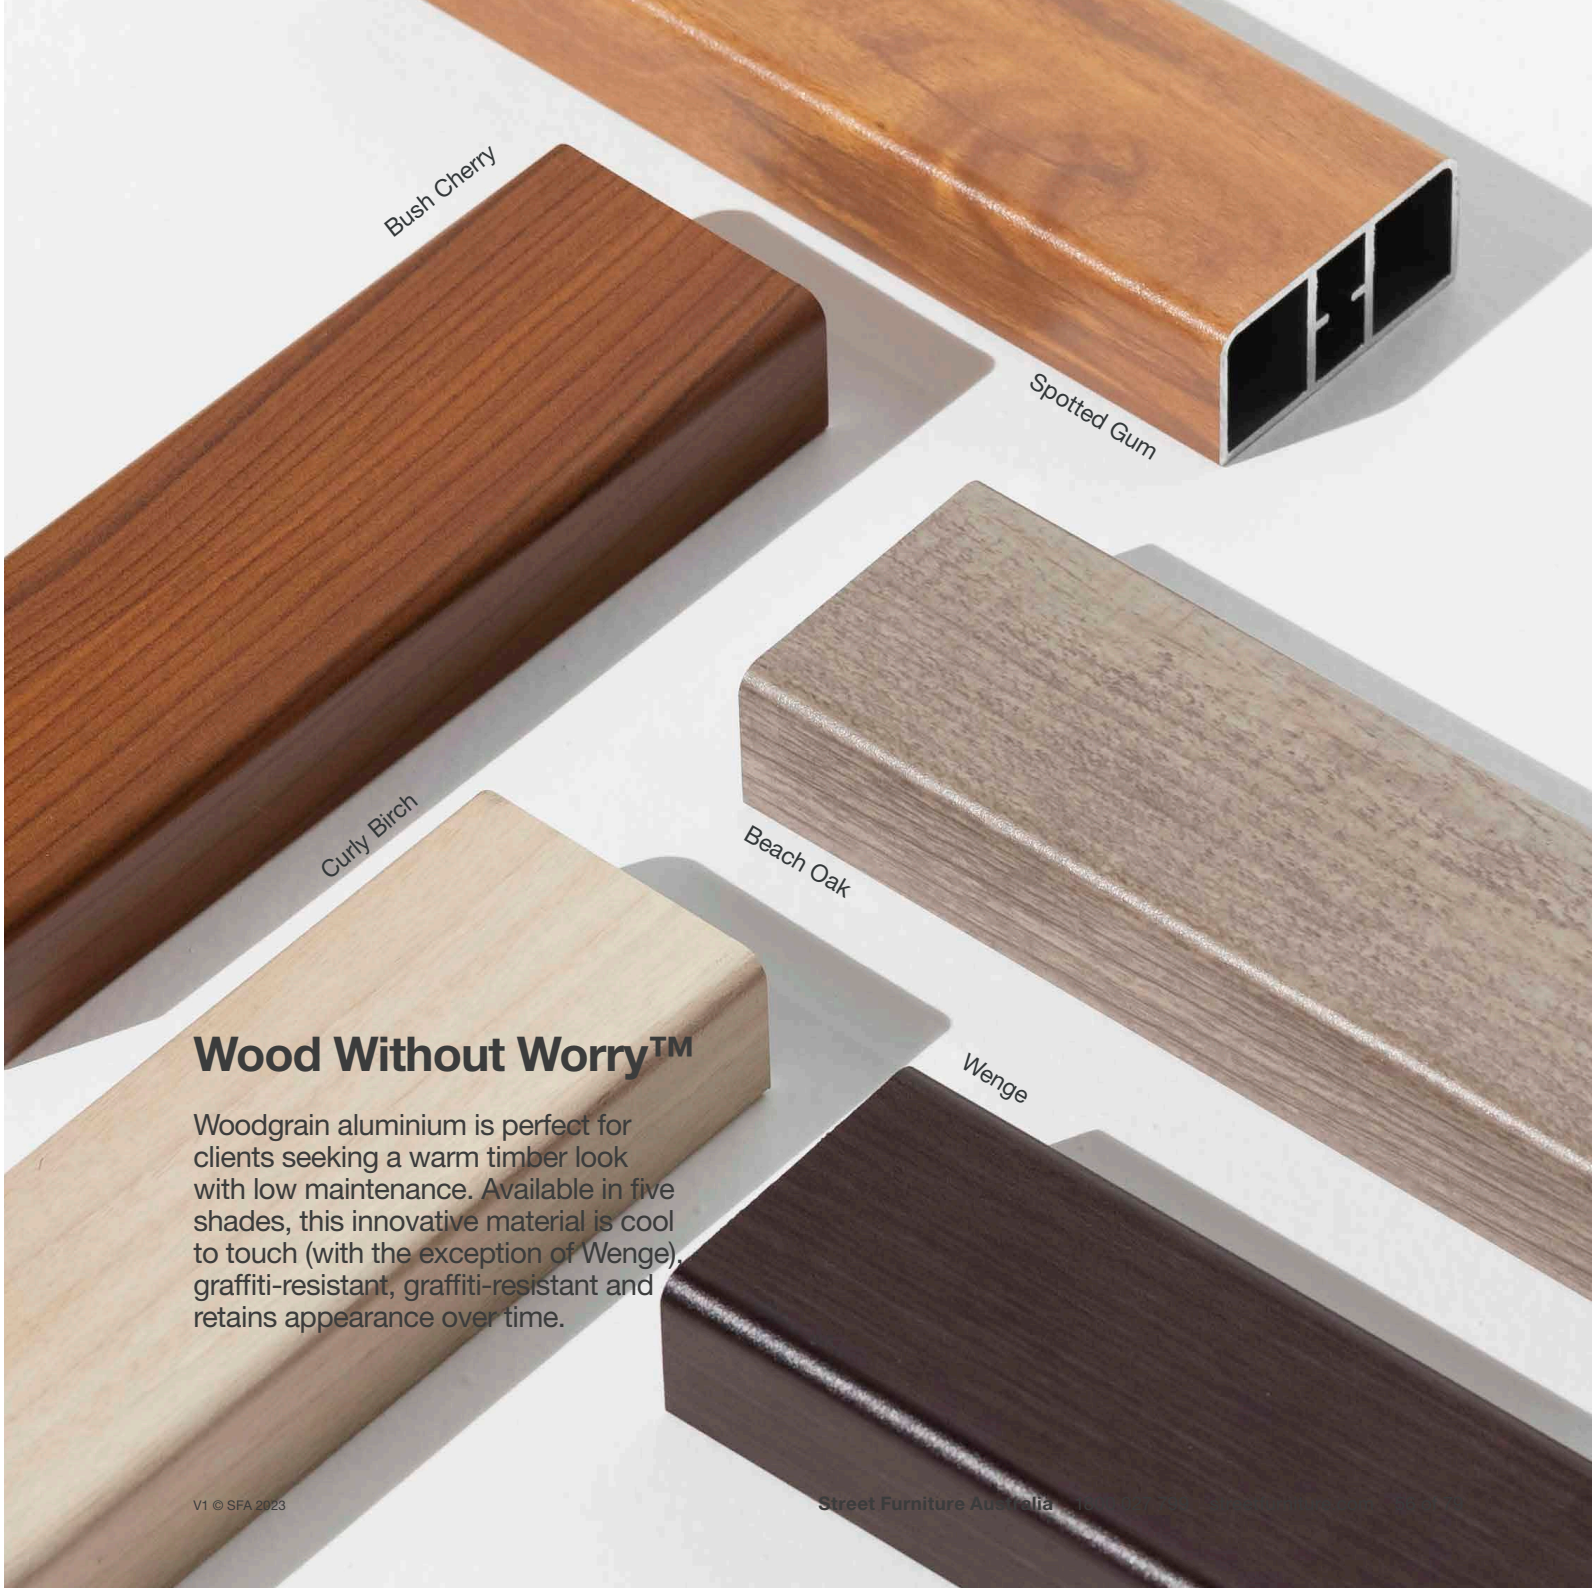

Eco-certified hardwood

Select-grade hardwood is exclusively sourced from certified managed forests (FSC or PEFC). To retain appearance, hardwood requires oiling every three months.

Anodised aluminium

Commonly seen on Apple MacBooks, this material features a cool temperature during hot summers. It is a minimal maintenance product only requiring the occasional wash down.

Wood Without Worry™

Woodgrain aluminium is perfect for clients seeking a warm timber look with low maintenance. Available in five shades, this innovative material is cool to touch (with the exception of Wenge), graffiti-resistant, graffiti-resistant and retains appearance over time.
