ALL ABOUT LINEA

Sleek and minimalist yet extremely strong
made of stainless steel frames.

The Linea range is 100% recyclable and
constructed from 33-48% recycled content.

Linea range with aluminium Spotted Gum, Woodland Grey
and Mustard batters and frame.

WIDE RANGE OF IN-HOUSE COLOURS

All colours are applied on the factory floor and quality controlled to ISO and EFSG standards.

Earthy Pastels

A fun and contemporary palette.

DuraBright range

Extra UV stable and fade-resistant bright colours.

Solid and Textura* range

Popular and fast-moving colours.

**Textura is a low maintenance textured finish that repels dirt and marring.*

Sable range

A fine-grained surface for a premium aesthetic.

Bush Cherry

Spotted Gum

Beach Oak Grey

Curly Birch

Wenge

Wood Without Worry™

Woodgrain aluminium is perfect for clients seeking a warm timber look with low maintenance. Available in 5 shades.

“People keep touching it, they can’t believe it’s not timber.”

- Jennifer Spratling, Centre Manager
Big Top, Kippa Ring & Upper Mt Gravatt

SELECT YOUR BATTEN

Linea is offered in *Wood Without Worry*, eco-certified hardwood, anodised or powder coated aluminium battens.

Eco-certified hardwood

Select-grade hardwood is exclusively sourced from certified managed forests (FSC or PEFC). To retain appearance, hardwood requires oiling every three months.

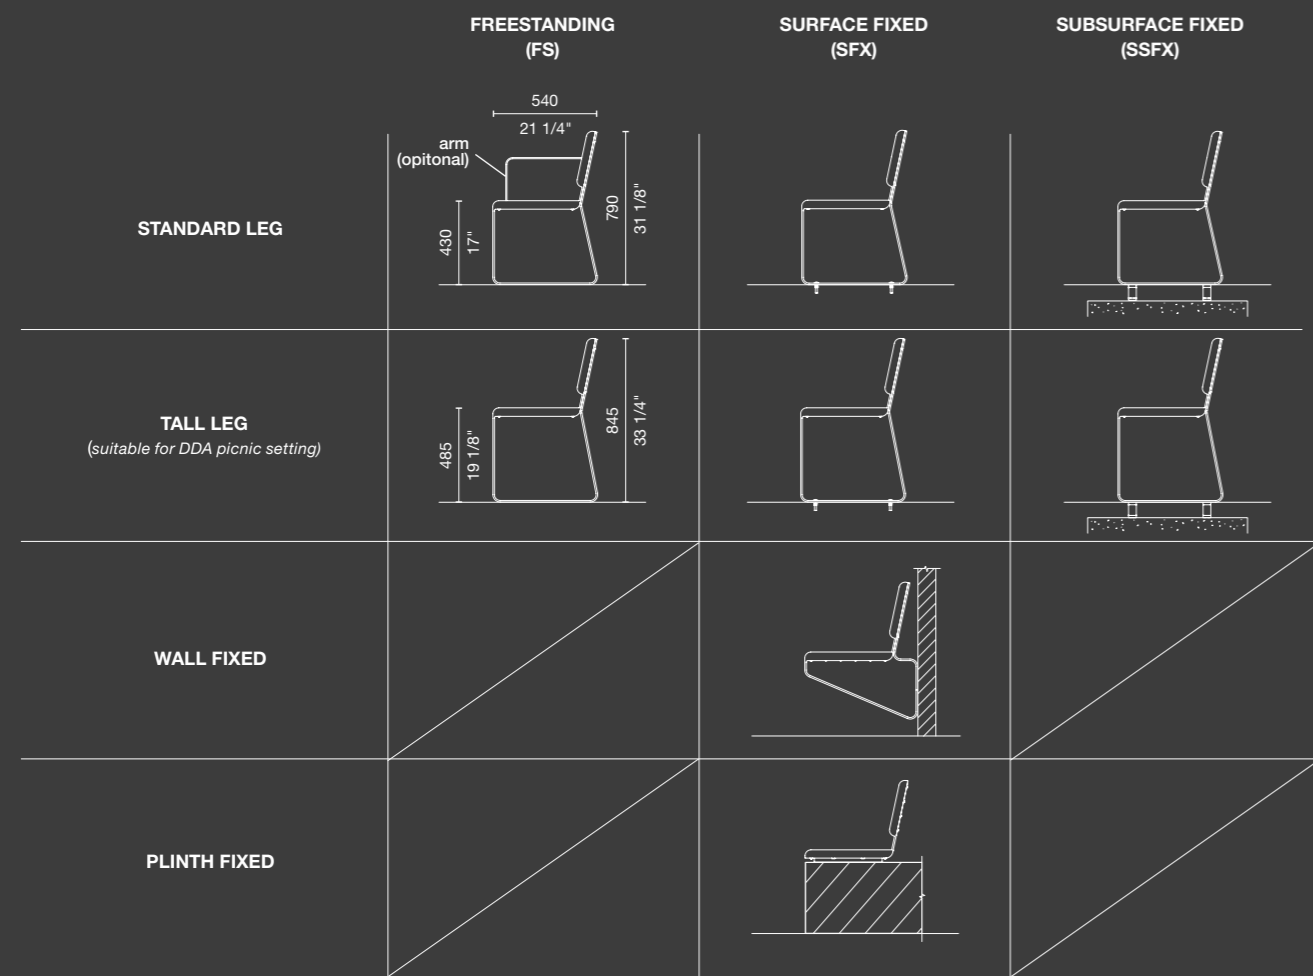

Anodised aluminium

Commonly seen on Apple MacBooks, this material features a cool temperature during hot summers. It is a minimal maintenance product only requiring the occasional wash down.

Choose a standard or custom curve.

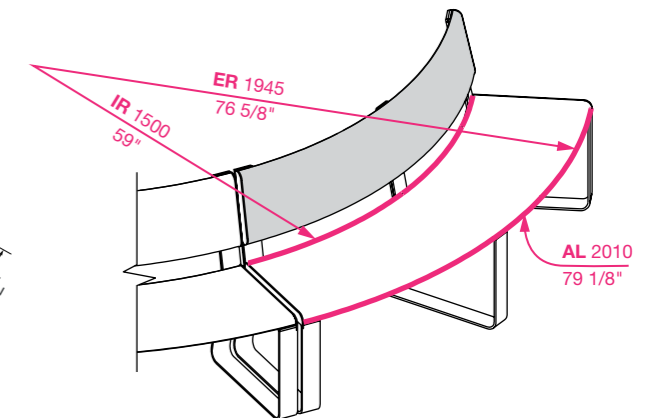

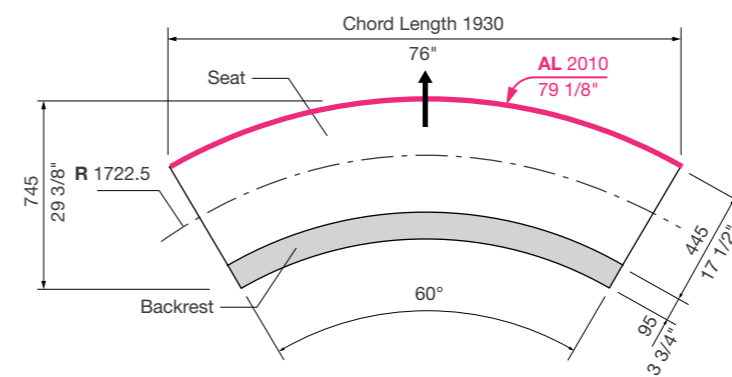

Street Furniture Australia highly recommends using standard curves to save time and cost.

For custom curves, ensure the Internal Radius (IR) $\geq 1500\text{mm}$ or $59"$. A set up fee and additional lead time will apply for each custom curve. To specify a custom curve, choose Convex or Concave and provide the Arc Length (AL), Internal and/or External Radius (IR or ER). Consult with a sales representative today.

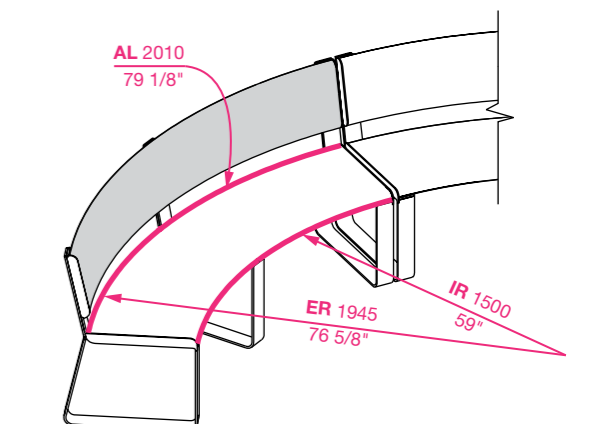

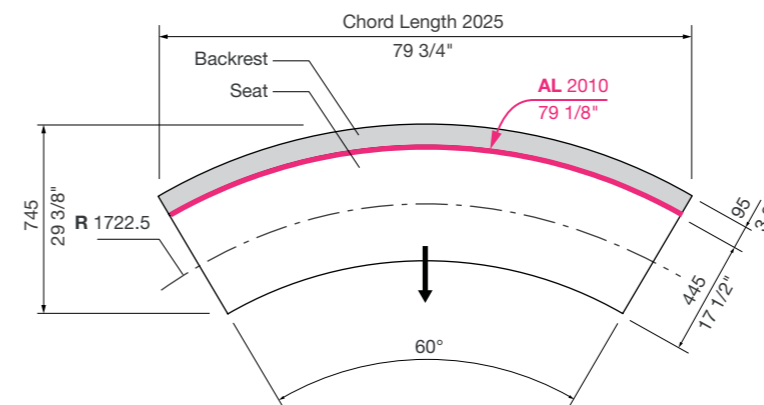

AL Arc Length IR Internal Radius ER External Radius
